HIGHLIGHTS

- His Majesty the King sent a cable of congratulations to the Secretary-General of the United Nations on the 75th anniversary of the UN.
- Southern Governorate distributed 10,000 face masks through "Feenah Khair" campaign in collaboration with the Royal Humanitarian Foundation (RHF).
- Public schools opened for pupils yesterday as Bahrain continues to grapple with the coronavirus pandemic. Administrative and teaching staff have already resumed work with 50% capacity attending on a rotational basis.
- HE Minister of Education paid an inspection visit to a number of schools to ensure that all precautionary measures have been implemented to provide a safe educational environment for all students.
- As more people become infected across at WHO EMRO Region, the pressure on health workers and health systems will continue to increase as they struggle to meet the demands for COVID-19 and non-COVID-19 services.
- WHO: New research helps to increase understanding of the impact of COVID-19 for pregnant women and their babies; see link below.
- WHO: Considerations for school-related public health measures in the context of COVID-19; see link below.
- WHO: Guidance on Informing vaccination programs: a guide to the design and conduct of dengue serosurveys; see link below.
- WHO: COVID-19 could reverse decades of progress toward eliminating preventable child deaths, agencies warn; see link below.
- WHO: COVID-19 pandemic response in the Eastern Mediterranean Region, progress report of the incident management support team, January-July 2020; see link below.
- WHO and UNICEF recommit to accelerating health and well-being at all ages; see link below.
- WHO: Guidance on returning to school safely during the COVID-19 pandemic; see link below.
- WHO: Global partnership to make available 120 million affordable, quality COVID-19 rapid tests for low- and middle-income countries; see link below.
- WHO: Responding to non-communicable diseases during and beyond the COVID-19 pandemic; see link below.
- WHO survey: COVID-19 disrupting mental health services in most countries; see link below.
- WHO: Annual report of the Regional Director 2019; see link below.
- WHO: Emergency Global Supply Chain System (COVID-19) catalogue; see link below.
- WHO: Interim guidance on Antigen-detection in the diagnosis of SARS-CoV-2 infection using rapid immunoassays; see link below.
- WHO: Global TB progress at risk; see link below.
- WHO: SAGE Seasonal Influenza Vaccination Recommendations during the COVID-19 Pandemic; see link below.
- WHO Regional Director's statement on COVID-19; see link below.
