
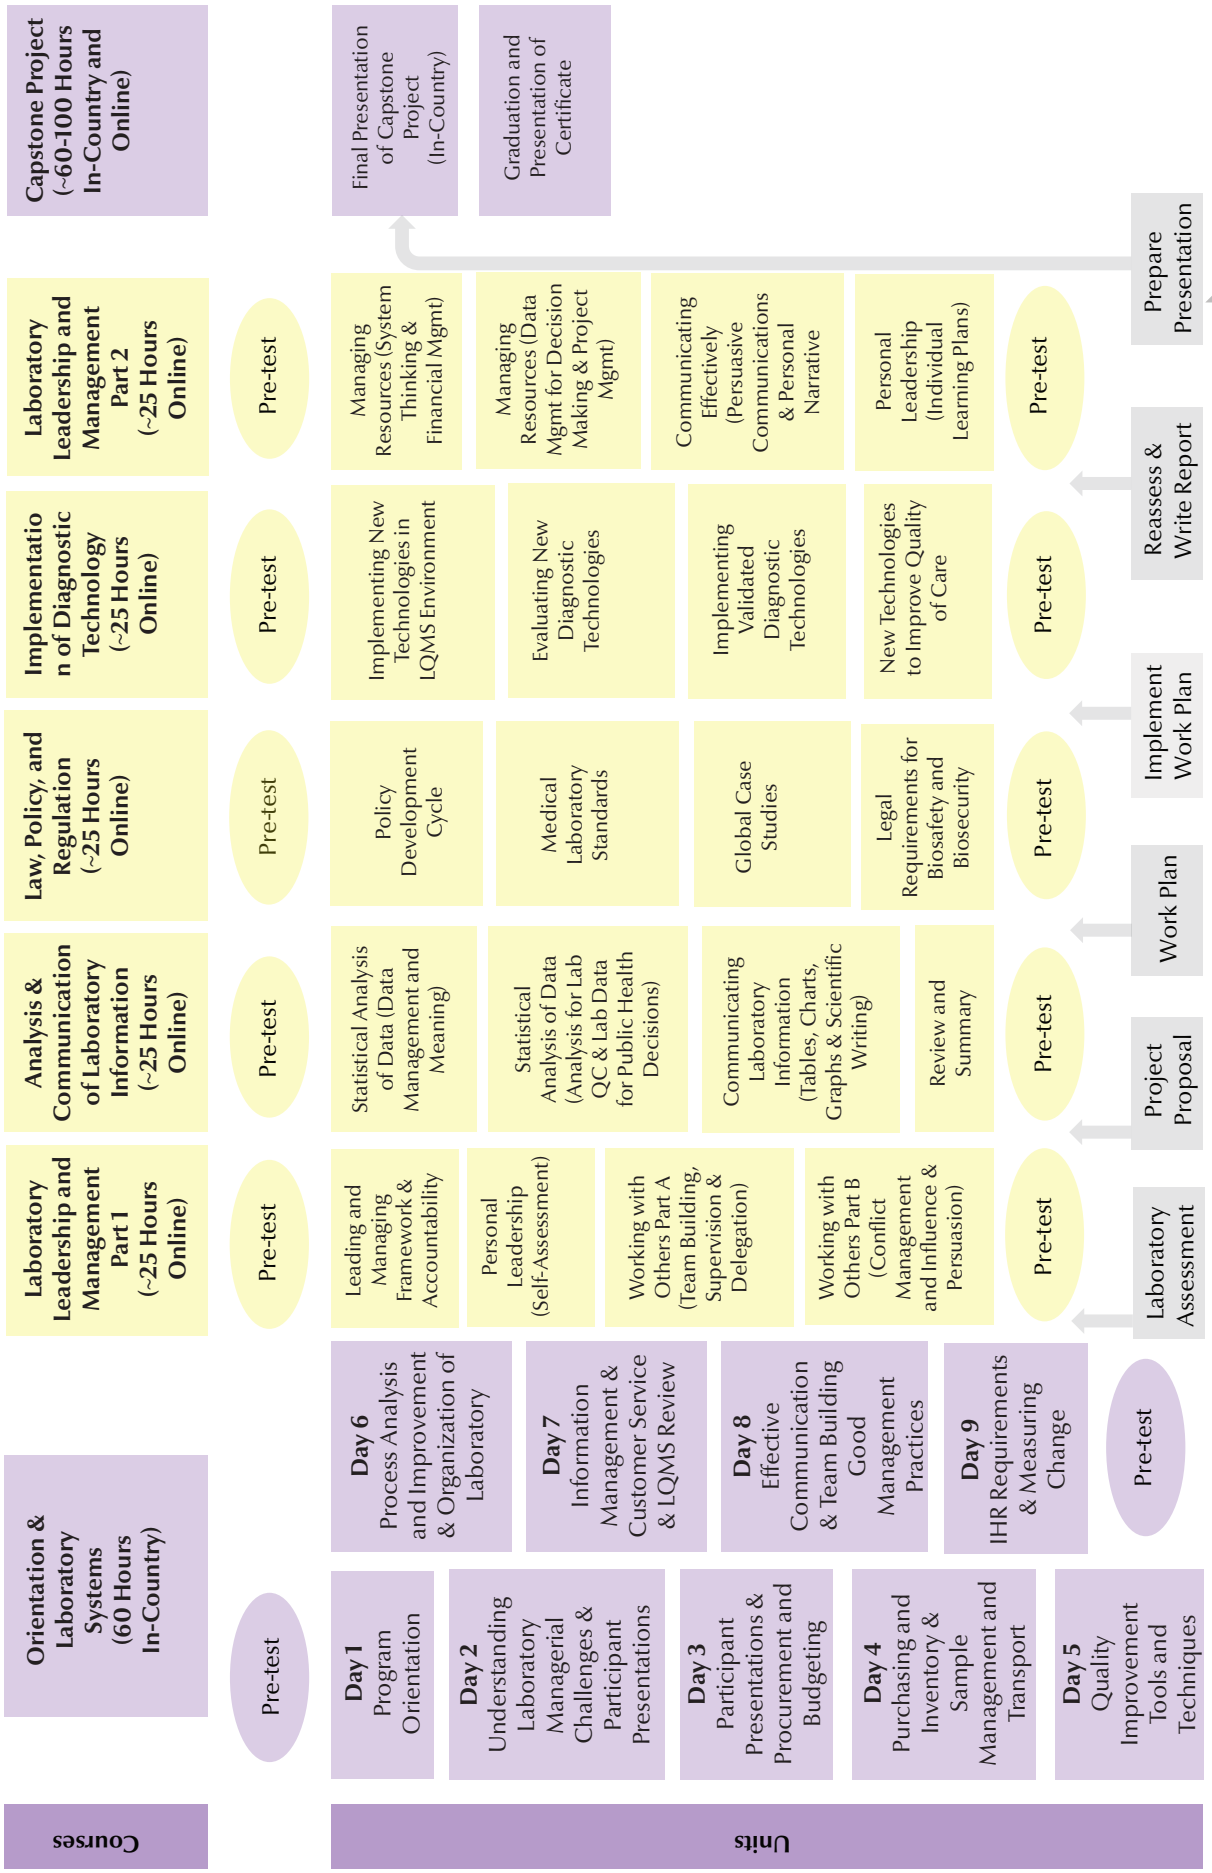

Figure 1 Programme curriculum The curriculum comprises 5 courses (1 delivered in-person (purple boxes), 4 online (yellow boxes)) and the capstone project (in grey). Each online course runs for 4 weeks with each week's module addresses various topics (shown as yellow squares above). Each weekly module is comprised of pre-recorded lectures, readings, interactive assignments and real- time, case-base discussions. Capstone assignments (shown in grey boxes, *n*=7) are due during breaks between courses.
