WHO appreciates the contribution of donors (FCDO, BMGF, DFATD Canada, JICA, UNOCHA, ECHO, South Korea, Czech Republic and Germany) to support Government of Pakistan towards, COVID-19 through WHO Pakistan.

My dear Pakistani brothers and sisters, on behalf of WHO and myself, I would like to extend my sincere wishes to you and your families on this auspicious day of EID-UL-FITR. While celebrating Eid with religious fervour, I would like to request you to continue adopting hygiene practices. Islam promotes hygiene and during the COVID-19 pandemic, it becomes imperative to wear a mask, wash hands frequently and observe physical distance to protect oneself and loved ones from contracting the COVID-19 virus. Currently, we are in the middle of the third wave of the COVID-19 pandemic, and cases are rising steadily. The Government of Pakistan is continuously taking measures to contain the spread of the COVID-19 virus. We all must join hands and adhere to COVID-19 preventive measures and put in our part in protecting ourselves and our loved ones from the COVID-19 virus. We salute our Health Care Workers, who are the frontline heroes, for their hard work, commitment, and dedication in saving precious human lives by rendering their services round the clock, while leaving their families behind.

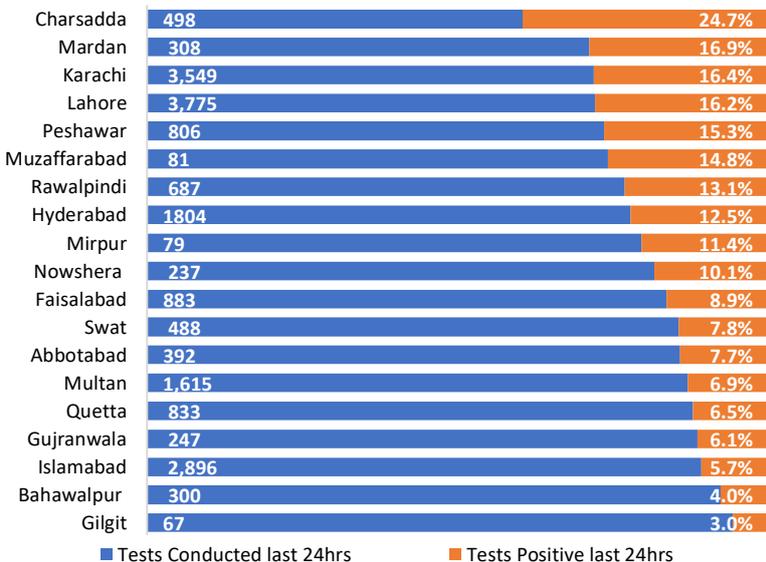

May this special day bring peace, happiness, and prosperity to everyone!
Stay home, stay safe!
